Dear Friends:

HOPE Place We would like to thank all of the members of Huntsville Woman's Club for your support of Crisis Services of North Alabama. Your donation of paper products for HOPE Place is a special gesture, and we are very grateful for your kindness and support. Your contribution will help us to provide the best possible assistance to families and individuals who desperately need help and have nowhere else to turn.

Sexual Assault Response Crisis Services of North Alabama is a non-profit organization whose mission is responding to individuals and families in personal crisis in Madison, Limestone, Morgan, and Jackson County. Each year the number of people who reach out to us for help increases, and each year we strive to find ways to ensure that help is available despite funding cuts, decreased donations, and escalating expenses. We depend to a large degree on community support to sustain the programs that benefit our clients.
