211 Community Resources

We would like to thank everyone at Huntsville Woman's Club for the donation of mattress protectors, sheet sets for children, toiletries, and sanitizing products in 2022 for Crisis Services of North Alabama that you have valued at \$130.00. All CSNA's programs - HELPLine, HOPE Place Shelter, 2-1-1 System, Victim Services, Sexual Assault Response, Domestic Violence Responder, and the Sexual Assault Nurse Examiner (SANE) - are provided through grants and with the aid of contributions from a charitable community. Thankfully, that community is made up of generous people like those at Huntsville Woman's Club. The clients who reach out to us for help may never know who enabled us to help them, but they are truly appreciative that our services are available.

As a non-profit organization whose mission is to respond to individuals and families in crisis in Madison, Limestone, Morgan, and Jackson County, we are continually striving to find ways to ensure that help is available despite funding cuts, decreased donations, and escalating expenses. We are very grateful that you recognize the need for services such as ours and are willing to help.

Again, on behalf of our staff, volunteers, and the clients we serve, please accept our thanks for your compassion, generosity, and commitment to helping others in our community.

Sincerely,

Janet Shaw Gabel
Executive Director
