Dear Susan,

Thank you for sharing your beautiful home with us last Friday and for preparing such a delicious dinner. Marilyn, Cherry, and yourself went out of your way to make the event a delight.

Please thank the other ladies for me. Your kindness and efforts did not go unnoticed by all of us.

Sincerely,
Sally Town

Dear Susan, Marilyn, Cherry and

What a fun evening I had last Friday. Sitting by the crackling fire sipping cider and chatting with friends old and new, was so enjoyable. Dinner at the beautiful harvest table was delicious. The scrumptious desserts ~~was~~ the perfect ending to a perfect evening. I so appreciate you removing

all the calories in your recipes!

The most beautiful "gift" of the evening was to see friends using their talents to be a blessing to Safe Harbor.

Thank you for your gracious hospitality.

Sincerely,
Lynn Miller
